

Build with Confidence!

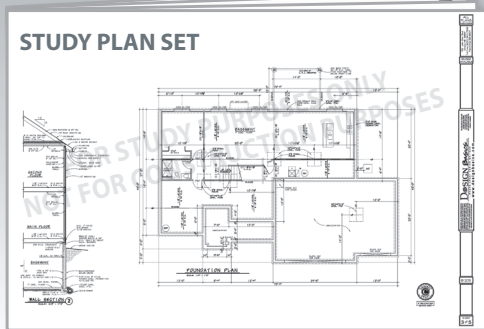

Home Buyers, looking for a lower-cost way to dive deep into the details on a home plan before the expense of licensing the plan for construction?

Build with confidence, knowing your dream home works for your budget as well as how you want your home to live! Receive a full study set of plans for the design you select for estimating purposes (it is illegal to build from study sets). If that home doesn't work, order the study set for another plan to review – up to five (5) different plans total within one year. Get this, and more, with our BudgetWise Bundle.

BudgetWise BundleSM

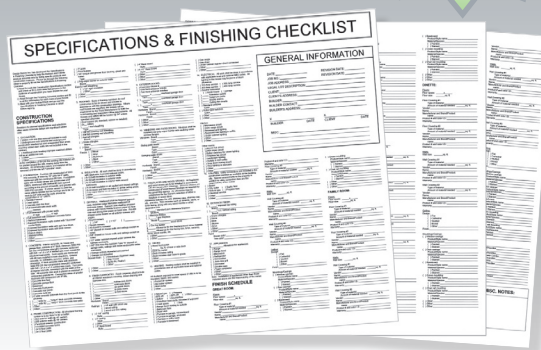

Your **BudgetWise Bundle** Includes:

\$249

\$100 study sets* for up to five different home plans ordered within one (1) year (*typically over \$600 each*). And, the \$100 is applied towards the purchase of the plan you license for construction.

Plus: A 10% discount on the home plan you license†

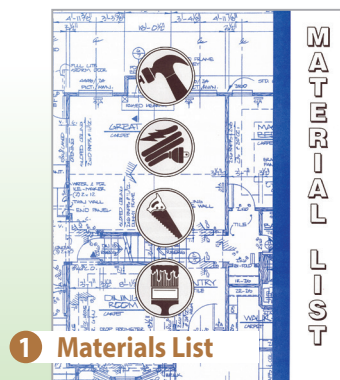

FREE Specifications & Finishing Checklist. Keep track of your product selections and finishes, further ensuring you know where you're at BudgetWise.

*Applies to Design Basics, Scholz Design, Carmichael & Dame Designs, and Plan Pros, Inc., plans only.

†Full construction prints only (PDF, sets, or CAD files) purchased directly from Design Basics.

Then, choose **1 of 5 FREE Upgrades** on the plan you license: (reg. \$125-\$195 each)

1 Materials List

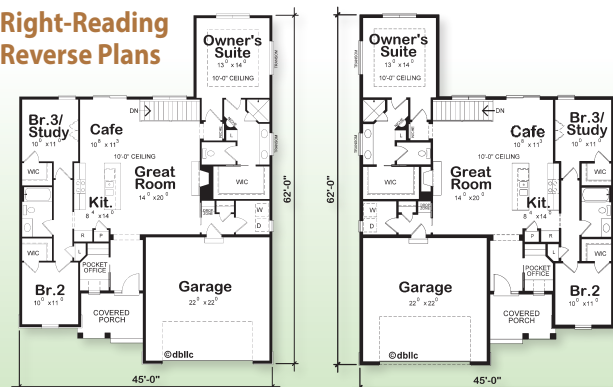

2 Alternate Foundation
Basement, Crawl Space, or Slab

3 Alternate Exterior Wall Framing – 2x4" or 2x6"

4 No-Step Entry Floor Plan

Note: Not all upgrades available for all plans.

5 Right-Reading Reverse Plans

Finally, consider **Plan Modifications**:

When reviewing your study set plans, you may identify some changes you would like to make to the original design. The BudgetWise Bundle provides you a FREE consultation with one of our plan alterations specialists, including an estimate of the fees and time frame to have us modify the original design for you.
