Builder-CentricSM Preferred Builder Programs

are a great way to add more home designs to your portfolio at a lower cost and take advantage of extra savings.

Choose between our **GOLD** or **PLATINUM** programs and watch your savings multiply!

\$100 Study Plan Sets for estimating purposes. Sometimes you need to price out a home in order to get the sale, but you need the plan to get accurate bids. With your membership, receive study sets for up to **five different plans per year for just \$100 per study set.** (Not for construction purposes.)
